Mitchell **Wallace**
Backend Developer

About me

As I work with cutting-edge technology, my passion is to see robust solutions for web and data applications that connect with real world needs. I am on the lookout for opportunities that allow me to leverage my skills and creativity to build innovative solutions that make a difference in people's lives.

I am committed to the mission of the Seventh-Day Adventist Church to proclaim the Three Angel's Messages in preparation for the soon return of our Lord and Saviour Jesus Christ.

Areas of specialization

Backend Development
Data Science
Python · Javascript · C#

Interests

Audio & Music Technology
Video Production
Bible Prophecy
